

PART II. MEDICAL REPORT.

In completing this report, reference should be made to the "Notes for Guidance on Medical Examination on A.F.W. 3149". The Medical Officer must take care not to express any opinion to the member on the relation of any disabilities to service conditions, nor to disclose the contents of his Report. He may, however, give such general medical advice as he considers necessitated by the member's impending return to civil life.
